## Welcome to Mzada Freight

Mzada is a leading name in custom clearance, freight forwarding and custom consultancy in Tanzania. We provide value added services in the areas of road transport, railway, air and sea freight, logistics and customs and forwarding services.

As a fully integrated logistics service provider, we are able to make your logistics network more agile and cost-efficient, whatever your business sector is.

Our goal is to deliver customized, high-quality, large-scale logistical service and assistance for our customers in order to provide a definite competitive advantage.

As you go through our profile, if you are looking a competent, reliable and flexible logistics partner, we are the right choice for your company.

There is no better time than now to give us a try.

Thank you!

A blue ink handwritten signature of Mudhakiru Z. Dauda, written in a cursive style.

## Who We are?

**Mzada Freight Co.Ltd** is registered as a Private limited company in Tanzania (under the Companies Act,2002 of the laws of Tanzania). We have licensed by the Tanzania Customs Service's providing Clearing and freight forwarding services in Tanzania. We are Located in the commercial capital and port city of Dar es salaam which is a major hub for imports into Tanzania and neighbouring landlocked countries like Rwanda, Burundi, Democratic Republic of Congo, Malawi, Zambia and Uganda.

We are a team of experienced, qualified and highly professional logistics experts headed by Mr. Mudhakiru Z. Daud. Our hands-on experience, local port knowledge and operations expertise in the field of custom clearance & supply chain logistics services is unparalleled in the industry. We carved a niche for providing quality centralized and cost efficient services to our valued patrons.

We take the time to get to know our client, their business and their objectives, going the extra mile to ensure that

their shipments arrive or depart without any problems or unnecessary delay.

Our network participation is with trusted international counterparts on the other end of the shipment who are equally dedicated to serve for the collective interest.

All of our employees are through in each and every aspect of custom clearance & freight forwarding process including import and export documentation requirements for all types of cargo.

## Our Mission

“We aim to be a recognised player in providing high quality logistic solutions and build a trustworthy, long lasting relationship with our customers.”

## Our Vision

“We shall be the world leader in providing logistic services of world class standards and shall be the first choice for the customers.”

## Our Values

### Honor & Integrity

We follow legislation with honesty.

### Customer Focused

We serve our clients efficiently.

### Foward Thinking

We are future focused.

### Quality & Efficiency

What we do, we do very well.

### Employee Development

Through continual internal and external training.

### Professionalism

We hold ourselves to the highest ethical standards.

### Compliance

We are aware of and comply with all relevant legislation.

# OUR SERVICES

*We Connect You to the World!*

## Our Services

### Custom Clearance:

Customs clearance work involves preparation and submission of documentations required to facilitate export or imports into the country, representing client during customs examination, assessment, payment of duty and co taking delivery of cargo from customs after clearance along with documents.

### Freight Forwarding:

Freight forwarder is to organize and execute the transport of goods on behalf of others. A freight forwarder handles the pick-up of goods from the supplier, customs clearance (Documents) at the proper authorities, handling at the warehouses involved, and secure a spot on the ship, plane or truck delivering the goods.

### Custom Consultancy:

We handle complete custom consultancy like obtaining IEC, DGFT and DEPB license. Setting up custom of custom Bonded/ General warehouse, Project Import Registration, Reconciliation & finalisation, and Drawback/Refunds.

### Land Transportation:

We provide complete transportation solution by road and railway. Our services are uninterrupted and available 365 days anywhere in India. We are specialised in movement of general cargo, project cargo services and over dimensional cargo.

### Supply & Export of Agro-Products:

We are a licenced supplier and exporter of agro-products like rice, cashewnuts, beans, sunflower seeds & sunflower oil, corn, chick peas, millets, black pepper, cloves, groundnuts, cinnamon, cardamon, sesame seeds, sisal fiber, almondnuts, and many more...

## ✔ Custom Clearance

We gladly will be providing exceptional custom brokerage services for all types of manufacturing companies. As new windows of opportunity open in the market of international trade, the requirements and regulations for importing products are constantly changing. Our team will ensure that all requirements are met expedite the clearance of your shipment.

Our experienced team can offer real free advice and offer tailored services to suit every requirement. We like challenges and look for creative ways to meet your needs. Our aim is to deliver an efficient, professional, timely service, specific to you or your companies individual requirements.

We can even monitor the arrival and dispatch of your shipment and answer your questions all clearance precedures, helping to ensure that your consignments clear customs swiftly and efficiently.

### ✈ Freight Forwarding

Mzada's suite of freight services has been designed to meet the challenges our customers face in today's dynamic environments. We have just the right solution for you to ensure maximum flexibility, regardless of size and weight. Choose from transit times ranging from next-day to three-to-five day gain global coverage with more possibilities than ever before.

With Mzada, Freight is controlled from ex-work up to the destination. Our international air freight services and freight forwarding services are considered among the best in the world. These freight forwarding services comprise of end-to-end logistics management solution that reduces transportation search costs, accelerates decision-making and improves communication among all parties through the supply chain. Our size enables us to give personalized attention to each client. It enhances the quality of our freight forwarding services and enables us to meet the needs of our clients.

### ✔ Custom Consultancy

In an era of rapidly emerging global markets, tight budgets, and scarce resources, maintaining compliance with customs requirements while minimising duty and related charges is critical to maintaining a competitive advantage.

Our detailed, non-intrusive review of your organisation's import and export activities will identify potential savings opportunities and recover overpaid duties. In complex situations.

Mzada will prepare and secure favourable customs rulings prior to submitting refund requests, thus protecting your compliance with customs regulations. Our seasoned professionals have years of experience supporting premier global companies in all aspects of customs compliance and operational effectiveness.

## Land Transportation

We specialise in the transportation of goods across east, central and southern part of Africa. We offer an exceptional value for money and 'peace of mind' service, enhanced by our reliable, courteous and professional team.

We aim to build long-term relationships with all of our customers. We offer the same high level of services whether you require our transport services daily, weekly, monthly or yearly.

We pride ourselves in providing a tailor-made, cost-effective solution, whatever your general or specialist haulage requirements are.

### ✔ Supply & Export of Agro-Products

After an advanced market research we realized the need of agro-products in and outside the country and decided to expand our business into supplying and export of agricultural crop seeds. We are a licenced supplier and exporter of agro-products like rice, cashewnuts, beans, sunflower seeds & sunflower oil, corn, chick peas, millets, black pepper, cloves, groundnuts, cinnamon, cardamon, sesame seeds, sisal fiber, almondnuts and many more...
